- Programming in JAVA - NPTEL (2022)
- Database Management System - NPTEL (2023)
- Cloud computing – NPTEL (2024)
- HTML5 - The Language (03/2024) (By Infosys SpringBoard)

PROJECTS

portfolio website

- Developed a fully responsive portfolio website using React, featuring smooth navigation, interactive project showcases, and a real-time contact form via Email.js. Designed dynamic sections for bio, skills, work experience, and education with a modern, mobile-friendly UI.

Restaura

- Developed a responsive website using React and Tailwind CSS with animated sections powered by Framer Motion. Implemented smooth scrolling navigation, a mobile-friendly layout, and dynamic components including a reviews gallery and contact form.
